RUNNERS & WALKERS,

Welcome to the Health Alliance Plan Crim49 Race Week Experience! Our team has worked for an entire year to bring you a world-class event experience right here in Flint, Michigan.

First and foremost, this event could not take place without all of you, the participants. Thank you for committing your time and resources to the Health Alliance Plan Crim Festival of Races and the Crim Fitness Foundation. It's hard to imagine all of the miles that have gone into training for this event and we can't wait to see you cross the the Ralco Industries Finish Line!

I'd also like to thank our more than 50 sponsors, corporate partners, and community partners, as well as the more than 1,100 individuals who volunteer and make this event happen. Special thanks also go to the City of Flint Traffic Engineering Team, Flint Police, Michigan State Police, hundreds of traffic marshals, and many others who help keep us safe and organized on each and every race course.

On behalf of the entire Crim team, I hope you'll take time to learn about and enjoy every amenity during the Festival Experience. From new aspects of the Crim Expo, to awesome course entertainers, to the amazing post-event Festival, there is truly so much to take in. We hope you have a great time - AND, don't forget to be on the lookout for those special teasers and opportunities for Crim50, which will take place in 2027.

Finally, I want to express our gratitude for your support of the Crim Fitness Foundation's impact and mission. The Crim serves the physical, mental, and social well-being of more than 20,000 Flint and Genesee County residents each year through our work in Crim Youth Sports, mental well-being programs; and our Neighborhood Impact work, which includes nutrition education, food access support, environmental and urban design, and health policy advocacy. Your participation helps fund this much needed work in our communities.

We hope Crim49 is a memorable experience and we hope to see you again at Crim50.

SEE YOU ON THE BRICKS,

Brandon Morgan
Director of External Relations

THANK YOU TO OUR ENDOWMENT DONORS

What started as a 10-mile road race in 1977 has, nearly fifty years later, become part of the fabric of Flint. Leveraging the community's enthusiasm and support for the iconic race, the Crim Fitness Foundation has grown to become a trusted partner, offering numerous programs that cultivate and support individual and community well-being serving more than 20,000 Flint and Genesee County residents each year through more than 400 programs that support physical, social, and mental wellbeing.

Now, as the Crim embarks on its "Road to 50," we are proud to launch the Crim Endowment which will help the organization continue the race and all our community outreach work for the next fifty years and beyond.

The Crim Endowment is a permanent or "forever" fund that will be used to invest gifts in a way that guarantees support for Crim into perpetuity. Your gift will continue to provide income for the foundation for as long as we serve the community.
