

# CHAIRMAN'S CIRCLE

Becoming a Chairman's Circle member is one of the best ways you can show your support for--and pride in--the Crim, and know that you are making a direct and meaningful contribution to improving health and wellness in for adults and children throughout our community. One of the oldest and most established ways to make a commitment to the Crim, members tell us of the pride they feel in wearing their Chairman's Circle pins and how much they enjoy the VIP reception and gatherings where they can share in the Crim's successes. And they know that they have helped support the Crim's wide range of programs, from Community Sports to Mindfulness to Nutrition Education to making our streets and neighborhoods safer for bicyclists and pedestrians.
