# YOUTHQUEST AFTER SCHOOL SESSION OVERVIEW

Engagement goals:

## Outreach/Recruitment strategy:

- Parents/students: Keep calling and interacting with parents, talking to them, and helping them to stay connected to school and YouthQuest. YouthQuest will be hosting our 10-year event to connect with parents at the drive-in as well as participating in the popup family picnics and a lights on event as well.
- Staff: Attend staff meetings, see how YouthQuest can better help the school staff. I am currently a part of the wellness team and will see if I can rejoin the attendance team as well as the PBIS team. Work on building new relationships with teachers and new staff at Holmes.
