

LISC AMERICORPS

Full-time Service Opportunity with Crim Fitness Foundation

Crim Fitness Foundation and Local Initiatives Support Corporation are seeking a full-time AmeriCorps member to serve as an Active Communities Program Assistant. We are recruiting a full-time AmeriCorps member to be a part of our team for 10 months. The position will remain open until filled. The exact start and end date of the contract position is confirmed by the Member Agreement of Participation that will require signature prior to the start of service. This is an AmeriCorps position and the individual selected to serve is not considered to be an employee of Crim Fitness Foundation or LISC.

WHAT WE DO

The Crim Fitness Foundation (Crim) is a Flint-based non-profit organization that works to cultivate accessible vibrant communities in Flint and Genesee County that encourage people to lead healthy lifestyles by integrating physical activity, healthy eating, and mindfulness into their daily lives and mentor other communities to do the same. Originally formed in 1977 to coordinate a charity running race, the Crim is now recognized for world-class running races hosted in Flint and a variety of year-round adult and youth programs that promote physical fitness and nutrition. The Crim has its foundation in fitness programming; however, the organization recognizes that it is essential to have safe, inviting places where people can be physically active where they live. Thus, The Crim broadened its scope and developed the Active Communities team, which works to promote health promotion through environmental design, neighborhood leadership empowerment, youth engagement, community assessments and programs and/or events that provide safe opportunities for people to be physically active throughout Flint and Genesee County.

With residents and partners, LISC forges resilient and inclusive communities of opportunity across America – great places to live, work, visit, do business and raise families. Over the last 38 years, LISC and its affiliates have invested approximately \$22 billion in businesses, affordable housing, health, educational mobility, community and recreational facilities, public safety, employment and other projects that help to revitalize and stabilize underinvested communities. Headquartered in New York City, LISC's reach spans the country from the East Coast to the West Coast in 36 urban markets from Buffalo to San Francisco and 2,200 Rural counties.
