

# FLINT & GENESEE FOOD POLICY COUNCIL

## WHAT IS A FOOD POLICY COUNCIL?

A Food Policy Council brings together members of the community and food system partners to develop and enhance the production, distribution and consumption of food.

### MISSION:

A network of food champions whose mission is to develop a resilient and reliable local food system rooted in community engagement, collaborations, and education.

### VISION:

A robust and sustainable local food system that provides all Genesee County residents with affordable and healthy food.
